ARCHITECTURAL DESIGN COMMITTEE

Project Approval Request Form

As each of us bought our property in the community, we agreed by our signatures to abide by the Declaration of Covenants, Conditions and Restrictions. The Covenants protect our property values by keeping the community a highly desirable place to live. ADC (Architectural Design Committee) approval must be obtained prior to the start of your project. To avoid delay, make your request as complete as possible and type or print legibly. Incomplete requests will be returned for additional information. Incorrect information or changes made after approval invalidates approval. The ADC tries to assure that all changes to our properties conform to the appropriate Covenants. Thank you for your understanding and cooperation.
